Valdemar Crest

**SPECIAL NOTE:** QO has permanently closed its PO Box and is now an exclusively online fan club!

Heyla, Misty fans!

Well, that was an adventure! Moonstar and I both moved apartments in the last few weeks, and we're still recovering! Makes me appreciate the lives of those in Valdemar who stay in the same house for generations. At least Heralds have the basics like furniture provided for them and don't have so much stuff to carry with them whenever they move. Made me think about the society of Valdemar as Misty's set it up. Yes, it's a tad feudal, but it's also capitalistic with a socialist layer at the top. Wonder if that would work in real life the way it does in fantasy.

Can you tell that I'm roommates with my 22-year-old son now? He tends to think about the economy and social structure a lot more than I do. You can tell that from my Dragonlords of Dumnonia books (the fourth of which I managed to get into press while moving!) where my preferred cultures are a lot more like Misty's setup. I use the feudal/capitalistic cultures to show wealth inequality.

Can't wait until Misty's next Valdemar novel gets here! I fear it will become a victim of my forwarding addresses. If you get it, pop by the QO Chat list on Facebook and let me know.

Don't forget that we have QO RPs about once a month on Facebook for those of you with approved personas. We had a lot of fun at a Midsummer festival last night! The more the merrier!

See you next month!

## Member News:

Editors and Chapter Presidents, please send us updated information if you have it.

## Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- ❑ **Arrows OnLine:** Contact: Adept Grayfeather kVaris (Kristi Reed). E-mail: [DragonMamaK@aol.com](mailto:DragonMamaK@aol.com). Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author AZ" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.
- ❑ **Friends of the Pelagirs:** Contact: Morghan Savistr'i. Website: <http://www.freewebs.com/unchainedatlantic/index.htm>. E-mail: [elfchilde@gmail.com](mailto:elfchilde@gmail.com). Under new care! ## Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated

somewhere on the QO site or for the mailing list, let me know.  
([Legend@malcor.com](mailto:Legend@malcor.com) still works, but I am switching to [Shashtah@gmail.com](mailto:Shashtah@gmail.com).)

### **From Healer Adept Moonstar:**

In the last couple months, we have been very busy. I have finished furnishing my new apartment. My boxes no sooner empty than Danya needed them to move further south. I spent as much time as I could each weekend to help with packing and keeping her company, and many of her items that she was giving away found themselves in my place. Lots of bookcases, a couple boxes of novels are among my new favorite things.

My cousin came to visit, whom I haven't spent time with in nearly 15 years, and it was just as if it had only been last week since we last saw each other. Our adventures included Sushi, a day at the beach, Medieval Times and Universal Studio. I miss him already and look forward to his next visit we are planning for WonderCon in 2021.

Monday, July 1, my daughter, Alexa comes home for a month and our big plan includes gaming; Dungeons and Dragons and Magic the Gathering are among our favorites. We are also going to go get our first tattoos together.

I hope all of you are enjoying your summer. Please share your summer reading list!

Hugs,

Moonstar
