***Series 3, Vol. 24, No. 3***

***April 2022***

Heyla, Misty fans!

Happy Easter, Ostara, and Spring (and whatever else you celebrate this time of year)!

We hope this newsletter finds you well.

We have the sad news to report that Misty's longtime parrot companion died this month, at roughly 30 years of age. Our beloved author is doing well, but it's been a rough time.

There have been a few changes to the publishing dates of her books, so check out that section of the newsletter if you are waiting for something.

Larry has participated in Mercy Road 3 The Yuletree Caper (At hour 6 of the 24-hour stream!) <https://www.twitch.tv/videos/1450990731> this was a charity D&D event that took place 4/9/2022. Sorry for the late information, we learned about it via his twitter feed after the event took place. This was a charity event with donations benefitting Child's Play (<https://childsplaycharity.org/>) bringing the world of gaming into hospitals, clinics and domestic violence shelters.

Reminder that our RPs have moved to the fourth Wednesday of every month. Hope to see you there!

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

Waking up Conner saw his sheets and feet covered in mud, vague memories stirred of the smell of earth, the smell of the most beautiful she wolf, the smell of trees, each individual vine...

[If any other fanzine editors would like to send us story prompts, we'd be happy to publish them!]

### From Herald-Mage Adept Danya Winterborn:

I warned you about looking below. So far this month I've read the *Tales of the Narts*, which is a collection of folktales of the Ossetians who live north of the Caucasus Mountains. I've also finished *Nart Sagas from the Caucasus*, which are from the same cycle of stories as told by other peoples of the area. I enjoyed *The Knights of the Golden Table*, a collection of children's stories rewritten from the translation of some folktales from the Kiev cycle. And now I'm working on *Empires of the Silk Road*, which came out when the Silk Road exhibit toured the US.

In other words, I'm dying for something else by Misty to come out!

The Vanyel Fan Club on Facebook is doing a book study of *Magic's Promise*. Feel free to drop in and join the discussion!

I've written the script for two YouTube videos about King Arthur, filmed one and been recorded on a podcast.

So much for my hectic life! We'd love to hear from you.

Zhai'helleva,

Danya

○ **From Marianne D-B:** My sister, who died a few years ago, was a huge Mercedes Lackey fan. I used to read the books with her, and we loved discussing them. Here's what I have:

- Darkwind & Vree, 1991
- Firesong, 1991
- Darkwind & Elspeth, 1991
- Starblade & Hyllar, 1991
- Tre'valen & Dawnfire, 1991
