Valdemar Crest

By

Larry Dixon

Heyla, Misty fans!

First and Foremost: NEW RP NIGHT! Due to the intervention of real life, we will be moving our RPs from the Fourth Wednesday of each month to the Fourth TUESDAY. (That means next week.) Hope to see you there!

Somewhat normal graduations approach this year as we close in on the end of May and move toward June. (Hmm. That gives me an idea for an RP scenario.) Congratulations to the Class of 2021! (I hope we can do something special for the class of 2020 someday.)

Don't forget that if you have a persona that you have outgrown you are welcome to create a new one who better reflects your current stage of life. NPCs are not required but you certainly may have them! I run Herald Yarik and Herald Kaylan in addition to my persona, Danya (and a partridge in a pear tree of other characters in the RPs). Moonstar runs Moonstar. It's up to you how easy or complicated you like to make your life.

Check below for more news. As always, we are desperate for art and book reviews!

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

Collegium News:

We have individual handouts for aspiring Herald, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

All personae materials should be submitted by e-mail to queensownnewsletter@gmail.com

- We have no new personas to share this month.

We have some personae who have not been formally announced yet. Is yours one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact

Danya at Shashtah@gmail.com and she'll make sure you are greeted in the next newsletter.

Special Perk! If you have a Facebook account, you can join the Secret Room to RP with your persona and to attend the QO RP events. The next QO RP is scheduled for the 4th Tuesday of each month at 5:30 PM PST. (Please note we do NOT meet in November or December due to the holidays). You are cordially invited!

Story Prompt:

It was all their fault. Their friends said it wasn't. That they couldn't possibly have known this would be the results of the actions they took. That they had saved countless lives by what they did. But friends could be wrong.

As always, if you would like any story published you can submit it to Herald Nalei Rayskeline for Golden Grove: sn.keeper@yahoo.com with Golden Grove in the subject line.

[If any other fanzine editors would like to send us story prompts, we'd be happy to publish them!]

Book Review

Would someone like to send us a review of *Jolene*? I haven't had a chance to read it yet.

Zhai'helleva,

Danya

From Herald-Mage Adept Danya Winterborn:

Well, I've had a close encounter of the injury kind and would dearly love to have a Valdemaran Healer around. I was roasting vegetables in a 450F oven, and I contacted the rack when I pulled them out. I have a deep burn across my right wrist, and I tore off a 3X2" rectangle of skin when I tried to bandage the thing myself. A day spent in urgent care got it cleaned, bandaged properly and me dismissed with a list of supplies. It's going to be a while in healing, and it's a bit hard to type with it at the moment. But I'm making progress.

WAY behind on my Goodreads reading challenge. That's probably because my King Arthur book sold (YAY!) and I'm trying to figure out which plates are copyrighted, and which aren't. Moving and my nephew getting married are helping. I need a vacation! (I'm planning to take one to Valdemar on Tuesday)

I'm trying to figure out what to do with all of the stage magic supplies I acquired while working on my Herald-Mage status. I don't suppose anyone out there would like to buy them from me? I live in South Orange County, California.

Working on reading an e-book from a QO member in a review exchange. It's quite good, but I'm finding that I'm missing the smell of my nose stuck in print. Anyone else feel that way?

Happy reading!

Zhai'helleva,

Danya
