Angela K. Scott

Heyla, Misty fans.

For those who knew her, Carol Reynolds (Laura Reynolds' mother) has passed away. A fund has been set up to cover burial and other costs. You can find more details at:
<https://www.facebook.com/groups/2202088363/permalink/10153808443193364/>

Hope everyone is staying cool! It's really, really hot and muggy here in Southern California, where we are also having our annual fits with wildfires. The Sand Fire caused the evacuation of, among other things, a wildlife sanctuary. Real life Heralds showed up (some even driving white trucks!) to help rescue the animals: <http://www.dailynews.com/general-news/20160724/how-a-community-helped-evacuate-exotic-animals-from-the-sand-fire-burn-area> (I think the animals have now all returned to their home.)

Comi-Con is over for another year. If you were able to attend, please send a review our way so we can let everyone know what a great time you had ☺.

Anyone spending the summer catching up on reading Misty's works? Tell us about them! (She writes faster than I can read these days, and I want to know which of her latest books to move to the top of my "To Be Read" pile.)

I've found myself doing a lot of brushing up on the US Constitution, what with the election and the crazy claims about what is and is not in there. Who can tell me which type of QO persona requires an essay on the Bill of Rights?

I can't believe that my kids are already preparing to return to school. Where does the time go?

Zhai'helleva,

Danya

August's story prompt:

It was a stupid choice, as teens sometimes made and now he was going to suffer for it.

As always, if you would like any story published you can submit it to Golden Grove sn.keeper@yahoo.com with Golden Grove in the subject line.

Editors and Chapter Presidents, please send us updated information if you have it.

Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Collegium News:

We hope to have some new personae to announce soon! Watch this space for welcome notices.

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

Here is the old information: You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds.

The address that appeared at this point in previous newsletters no longer works. Message me at shashtah@gmail.com when you get to the point of submitting a release form, and I'll see what I can find out in the way of new instructions. (I think Misty now has her fanfiction licensed under Creative Commons. Can someone check that out?)

All personae materials should be sent to the QO address or submitted by e-mail to Shashtah@gmail.com and healermoon@gmail.com.

We have some personae who have not been formally announced yet. Is yours is one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Shashtah@gmail.com, and she'll make sure you are greeted in the next newsletter.

Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. (Legend@malcor.com still works, but I am switching to Shashtah@gmail.com.)

(We will start generating this list again as I see e-mails start bouncing.)

From Herald-Mage Adept Danya Winterborn:

It's been a summer of ups and downs. On the inconvenient side, I've had an acute sinus attack that caused and acute asthma attack, and I'd no sooner recovered from that than I did a faceplant in an asphalt-covered parking lot. On the upside, that meant I had a lot of time to sit quietly on my computer and get a lot of writing done ☺.

My second novel, *Dragon Sun*, is in the interior design stage! Once again illustrated by our very own, Laura Cameron, it's being coded for Kindle as I write. The first novel, *Dragon Heart*, is available through Amazon, Barnes and Noble, and other online sellers and by order through brick-and-mortar stores. Please leave reviews on Amazon and Barnes and Noble. I'm dying to find out what you think of the series!

The filming of the documentary I was supposed to work on has been postponed because of the various attacks throughout Europe. The troubles around our world continue, and I've been using my writing talents to advocate against the escalation in violence we have seen in recent months. As you can tell from our handouts for persona creation, Misty cares very deeply about human rights and social justice. I encourage you to demonstrate your commitment to these same causes in your own lives, and please write us to tell us what contributions you have been making toward the cause of peace in our world.

With love to all,

Zhai'helleva,

Danya
