Heyla, Misty fans!

Happy New Year to one and all! Hope you all managed to collect another stack of Misty's books over the holidays. Remember to write good reviews about her work on Amazon.com and elsewhere. (We want to encourage her to keep writing more!) Send us a copy of any reviews you write, and we'll publish them in our newsletter as well.

Queen's Own has always attracted many budding writers. If your New Year's resolutions included doing more writing and getting some of it published, here are a couple of ideas for your consideration:

This is a list of some contests you might want to enter (Yes, you can actually win money for this sort of thing!):

<http://www.dystopianstories.com/writing-competitions-2016/>

Want to own a movie theater in Maine (Yes, we're serious, and it comes with an apartment.)? Here is an essay contest that might be a way for you to make your dream come true ☺:

http://www.hollywoodreporter.com/news/movie-theater-be-given-away-851601?facebook_20151231%3Ffacebook_20150103

If getting your fan fiction published is more your speed, here is another writing prompt from our fanzine, Golden Grove:

Lightning flashed overhead, illuminating the traveler's path and the forested mountain terrain in the immediate area. In the distance another flash showed a jagged, mountain pass, and the road leading up to it. Thunder was deafening, shaking the ground. The storm had been threatening for hours, but had not yet broken.

Stories can be sent to sn.keeper@yahoo.com for publication in Golden Grove, subject: Golden Grove.

Happy reading and writing in 2016!

Publication News:

The Arrows trilogy is now available as an ebook package. The Herald Mage series is supposed to be released in February.

I am in the process of updating the list of Misty's publications on the QO website: <http://www.dragonlordsnet.com/bkfanml.htm> When I get the new list up, I'll need reviews and someone to check for titles I've missed. (Yes, this is me in my Golds waving frantically for assistance!)

Can anyone coordinate the database I mentioned above with my list on the QO website and let me know what I need to add and where I need to add it?

Editors and Chapter Presidents, please send us updated information if you have it.

Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Collegium News:

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

Here is the old information: You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds.

The address that appeared at this point in previous newsletters no longer works. Message me at shashtah@gmail.com when you get to the point of submitting a release form, and I'll see what I can find out in the way of new instructions. (I think Misty now has her fanfiction licensed under Creative Commons. Can someone check that out?)

All personae materials should be sent to the QO address or submitted by e-mail to Shashtah@gmail.com and healermoon@gmail.com.

We have some personae who have not been formally announced yet. Is yours is one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Shashtah@gmail.com, and she'll make sure you are greeted in the next newsletter.

Lost . . .

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. (Legend@malcor.com still works, but I am switching to Shashtah@gmail.com.)

(We will start generating this list again as I see e-mails start bouncing.)

From Herald-Mage Adept Danya Winterborn:

Heyla!

Yes, I know Dragon Heart is not available for sale online yet. Yes, the e-book and paperback should have been out in time for Christmas. Yes, I'm hoping to see them shipping this week. (The paperbacks are sitting in my publisher's office. I'm seriously thinking about driving to LA to see them, but there's this not so little thing called El Niño that's about to hit me, and I don't think I should be driving in that.)

EDIT: Dragon Heart (Dragonlords of Dumonia Book 1) Kindle Edition IS available:

http://www.amazon.com/Dragon-Heart-Dragonlords-Dumnonia-Book-ebook/dp/B01AAZ1SZA/ref=sr_1_1?ie=UTF8&qid=1452268816&sr=8-1&keywords=Linda+Malcor

I've decided that I really hate this whole money thing, which is probably why my Dragonriders use a system something akin to what you find on the Star Trek Enterprise when it comes to their economy ☺. I dutifully burned my bayberry candle to the socket between Christmas and New Year's this holiday season, which is supposed to cause money to wind up in my pocket. Hopefully the folklore gets it right this time! (My heart goes out to all of you who have contacted me about similar difficulties in 2015.) Ah, well. Past's past. 2016 is a chance for things to turn around ☺.

I chose my Queen's Own persona well, apparently. I am completely up to my ears in human rights activities, mostly on LGBT issues—as those of you who have read my stories about Danya would suspect—but also on the Freedom of Expression issues in the Middle East. One gay man who asked for help getting out of Saudi Arabia now safely in Canada. My, that was an adventure. I hope to help him write a book about it someday. All I seem to be missing is the Companion ☺.

Think about it, though. We create these personae for the club because they are, in one way or another, something that we dream of being. There is nothing to prevent us from making some of those dreams realities in our everyday lives. Become a Healer. Be a Bard. Pursue one of the many careers Heralds find themselves performing. Or make one of the other persona types come to life for you. I find that it feels pretty darned good to be making a difference in the world. If you're not already doing so, I suggest that you make it your New Year's resolution to give it a try!

Zhai'helleva,

Danya
