March 1, 2011

Heyla, Misty fans!

If any of you are great proofreaders, please check me! I'm pretty sure "Who's on First," but I'm not very clear about where (or who) is anywhere else anymore. Particularly if you are an editor or lead a chapter, please make sure your ads are up to date. Also, if you know anyone on our missing list, please let me know.

Publication News:

As we have not mentioned the books coming out for a couple of months we wanted to update you to all the new great Mercedes Lackey ebooks, hardcovers and paperbacks that are recently and soon to be available. *Much Fall of Blood (Heirs of Alexandria)* co-authored by Mercedes Lackey, Eric Flint and Dave Freer, released January 25, 2011. "Prince Manfred and his mentor and bodyguard, the deadly warrior Erik, survived dangers and enemies both natural and supernatural, and if they thought that their new mission was going to be anything but more of the same, they soon gave up on that hope. Returning from Jerusalem, they and their escort of knights of the Holy Trinity are escorting an envoy of II Khan Mongol to the lands of the Golden Horde-between the Black Sea and the Carpathians, which happen to be eastern bastion against their old enemies, the demon Chernobog and his possessed puppet, the Jangellion." (from publisher's website)

The latest on the new audiobook versions of *Elvenbane* and *Elvenblood*, Misty's collaboration with the late Andre Norton (Aasne Vigesa worked on the audiobooks as well) is that *Elvenbane* will be available on February 1, 2011, and the second in the series, *Elvenblood*, will hit shelves on March 15, 2011.

Invasion: Book One of the Secret World Chronicles, a new series from Misty, on March

1, 2011 in hardcover. “The world had become used to the metahumans—people sometimes perfectly ordinary, but sometimes quite extraordinary in appearance—who mostly worked with their governments as high-powered peace officers, fighting crime, and sometimes fighting rogue metahumans who had become super-criminals. Then that comfortable world ended in just one terrifying day.” (from publisher’s website)
The Sleeping Beauty (Tale of the Five Hundred Kingdoms) by Mercedes Lackey (May 24, 2011)
(paperback, and Kindle)
Heavy is the head—and the eyelids—of the princess who wears the crown...

In Rosamund's realm, happiness hinges on a few simple beliefs:

For every princess there's a prince.

The king has ultimate power.

Stepmothers should never be trusted.

And bad things come to those who break with Tradition...

But when Rosa is pursued by a murderous huntsman and then captured by dwarves, her beliefs go up in smoke. Determined to escape and save her kingdom from imminent invasion, she agrees to become the guinea pig in one of her stepmother's risky incantations—thus falling into a deep, deep sleep.

When awakened by a touchy-feely stranger, Rosa must choose between Tradition and her future...between a host of eligible princes and a handsome, fair-haired outsider. And learn the difference between being a princess and ruling as a queen.

The moral of the story? Sometimes a princess has to create her own happy endings....

(from amazon website)

We have a new novel dropping in June, *Unnatural Issue: An Elemental Masters Novel* on the 7th

Richard Whitestone is an Elemental Earth Master. Blaming himself for the death of his beloved wife during childbirth, he has sworn never to set eyes on his daughter, Susanne. But when he finally sees her, a dark plan takes shape in his twisted mind- to use his daughter's body to bring back the spirit of his long-dead wife.

Beauty and the Werewolf (Five Hundred Kingdoms) on July 21st.

Shadow Grail #2: Conspiracies will be released July 5th, co-written with Rosemary Edghill.

There is a hidden cabal within the school that is taking out the pupils, and discover the Secret of the Oak. They uncover the existence of the Shadow Knights as well, as the enemy finally starts direct confrontation. But conspiracies abound, and the friendship

starts to fracture under pressure. There are open attacks on the students, and Doctor Ambrosius brings in outside "help"--the staff and CEO of Breakthrough Technology, the core of whom are old Oakhurst alums. But is the cure worse than the disease? And can Spirit and her friends beat the odds and stay together when everything around them is trying to break them apart?

Changes is the third book in the Collegium Chronicles trilogy. (October 4, 2011)

December 27th, Invasion: Book One of the Secret World Chronicle by Mercedes Lackey and Steve Libby. (will be released in paperback)

Additional Forthcoming, publication dates unknown:

Crown of Vengeance
Mercedes Lackey & James Mallory

Great Doom's Shadow is the fourth book in the Heirs of Alexandria series. (Mercedes Lackey, Eric Flint & Dave Freer)

While Manfred and Eric are deep in the Carpathian mountains, Benito Valdosta is discovering that blood ties of his own are drawing him into deeper plans than he ever dreamed possible. His brother might be the Lion of Venice, but Benito is the true heir to the Old Fox of Ferrara. With reputation comes power, and with power comes responsibility--and more power. Which in the case of the heir to someone like the Old Fox means--also means a front line position in the war against Jagellion.

Book Two: The Hunt
Mercedes Lackey, Steve Libbey, Dennis Lee and Cody Martin

This is the second book in the new Secret World Chonicles series, based of the podcast-style braided novel series [The Secret World Chronicle](#).

Also, here's this update from Misty's website:

News: Concerning Fanfiction:

As you folks already know, my agent, Russel Galen, has in the past been opposed to fanfiction. However, he is also Cory Doctorow's agent now, and Cory is a persuasive little gnome.

As a result of this, I am happy to announce that we are officially permitting fanfiction to be licensed as derivative fiction under the Creative Commons umbrella.

What this means is: NO, you cannot make money on it. NO, you cannot self-publish a fanfiction novel of Valdemar (or any of my other stuff) and try and sell it on Amazon. And NO, I still am not going to read it, because I am already so far behind on my research reading I barely have time to read that.

But YES, you may write and post away, folks, so long as you license it as derivative and under Creative Commons. If it is anything other than PG-13, please take all the proper precautions to stick it somewhere that innocent souls won't be corrupted. Do not scare the children or the horses. Have fun!

So, yes, you can do a lot of things we haven't been able to do before, but play nice!

If you have a review of a book, movie, con or faire, please send it along! We'd be happy to publish it.

Our weather is still messed up here in California. (Are you weather mages having fun?) My dog doesn't know whether to shed or grow an undercoat.

If anyone is in Japan (or elsewhere) and needs help, please let us know. Our Asian members have come through for QO in the past many, many times, and we'd like to return the favor if we can.

Happy Spring . . . Easter, Passover or whatever other holiday you celebrate.

Zhai'helleva,

Danya

Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Multi-zine orders, which can be shipped in a flat rate envelope (usually 3 of the smaller zines, or 2 of the larger zines), will be sent Priority Mail; larger orders will be sent Media Mail Insured, which is only slightly slower and doesn't have the zone rates (which wouldn't work with my shopping cart). Smaller orders will be sent First Class.

I take credit cards via PayPal, which is the cart's only payment option, but the cart can be used to calculate shipping, and checks/money orders mailed to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Except as noted, zines are printed on high-quality, bright white paper, comb bound, with cardstock covers. Story excerpts and cover art—as well as submission guidelines and PayPal ordering information—can be found at <http://www.greendragonpress.net/misty.htm>. To order via snail mail, send check or money order (payable to Devin Harris; US funds only) to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Note regarding *Shards of Autumn*: While this zine is officially out of print and no longer available on the website, a few copies are left over from convention appearances. Any remaining copies from MediaWest will be available at that con until they sell out; the others are being returned to me and will be auctioned off at <http://www.auctionfen.com> until they are gone. I also occasionally auction off zines which returned from cons a bit shopworn, so it's a good site to check periodically.

Collegium News:

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds. Send the release form (you do NOT need to include the story) to Misty c/o Paul Fisher, 16525 E 470 Rd., Claremore OK 74017. Do NOT include the release form with your persona material; send it to Misty. Send a *copy* to us.

All personae materials should be sent to the QO address or submitted by e-mail to Legend@malcor.com and healermoon@gmail.com. We have no new personae to announce at this time, but several submissions are being reviewed.

If you were working on a persona who is no longer listed at <http://www.dragonlordsnet.com/qochat.htm> that means we have not heard from you in over a year. To revive your persona, simply message Danya at Legend@malcor.com and tell her that your persona is in "Deep Storage." She will pull it out for you and reactivate your submission. I do not have any new personae to announce this month (though a couple of rewrites are sitting in the stack on my desk). Hopefully we'll have some next month.

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Legend@malcor.com, and she'll make sure you are greeted in the next newsletter.

My stress level seems to be finally going down a bit. I'm still looking forward to summer. (I finished two plays, but I have an 8th-grader to get through graduation before I get a break <g>.)

STAR testing is coming up, and I'm tearing my hair out as usual. I really, really hate this testing fad in the US. Wish we'd get on to something else. The pendulum seems to swing every twenty years, but it's apparently not going to be in time for my kids.

Anyone want to buy some Girl Scout Cookies <G>?

- ❖ **From Aurora Nelson:** Heyla! Rea Wildfire (aka Aurora Nelson) is looking to contact her penpals old and new. If you remember her or would like to say, "hi," please contact her at Evillurking@gmail.com.
- ❖ **From Cliff Hunter:** I'm looking for a penpal I used to know through QO. Her name is Dara Murphy. Anyone with information about how I can contact her, please e-mail me at DeathrockCliffy@aol.com.
- ❖ **From Jennifer M. Mackay-Galicia (Herald Mallea D'Lar):** From Jennifer Mackay-Galicia AKA Herald Mallea D'Lar. I have a lot of interests. I enjoy corresponding with other SF/Fantasy/Horror fans. I'm an aspiring author with the day job. If you send me a snail mail letter, I'll answer. It beats getting junk mail and bills. You are welcome to email me if you've misplaced your parchment, your quill, or your ink pot. :) I've been reading Tad Williams' *Shadowmarch*, *Shadowplay*, and I'm waiting with baited breath for *Shadowrise* to be released. I love reading Misty, Kate Elliott, Robert Jordan, and a number of other authors. The list is huge, so just ask me. Currently I enjoy watching *True Blood* on HBO and *The Vampire Diaries*, as well as *The Tudors* on Showtime. I'm a lot more selective about what I'll watch if it's a series. However, I love movies. :) I'm a fan of the classic Dracula films with Bela Lugosi. I'm a vampire purist, so I didn't like the *Twilight* books or the films. I'm a fan of *Star Wars*, *Star Trek* (all), *The X-Files*, *Buffy the Vampire Slayer*, Classic *Battlestar Galactica*, and almost anything else fantasy or SF from the '70's, '80's, and '90's. My email is: jmmg1794@hotmail.com. You can reach me by snail mail by addressing an envelope to:

I hope to hear from you soon!

- ❖ **From Herald-Mage Danya. To: All. Re: Cookbook.** Our version of a Misty-related cookbook is still in progress. We are compiling a cookbook based on meals that Misty describes in the Velgarth series. If anyone is currently reading the books, could you note the book and page any food items are mentioned on and send them to me at Legend@malcor.com? (We've been pulling some information from *The Valdemar Companion*, and we're getting quite a nice little list!) Thanks!
