Windy Steed

By

Angela K. Scott

Heyla, Misty fans!

A death in my family delayed the publication of our March newsletter.  
Thanks for being patient with us.

For everyone who lives in a country who observes Daylight Savings Time, congratulations on surviving the time shift. I swear this should be a spell in one of Misty's books just to mess with the characters!

Here's February's story prompt from Golden Grove's Herald Nalei Rayskeline (Sorry it's so late, I just got my new hard drives in the mail and I've been playing with what amounts to a new computer.):

*I opened my eyes to find myself at home, or what my home looked like millennia ago. Looking around I saw I was standing on the bridge between the audience hall and the royal living quarters of the castle. It was night, and I could see the stars twinkling between the leaves and flowers on a trellis overhead. I could feel the chill in the breezes contrasting with the warmth of the stone around me. I know from my own years on experience that soon those breezes will become the windy season that designates the start of the new year.*

And, as a bonus, here's the March story prompt:

*The young child lay on the floor, under the sideboard, back pressed against the wall, and watched people's feet as they moved past.*

You can find submission instructions below in the ad for Golden Grove.

Happy writing!

Zhai'helleva,

Danya

Editors and Chapter Presidents, please send us updated information if you have it.

## Local chapters:

The Canada Chapter is starting back up! I hope to have their updated information in the next newsletter. Who else is still active and who is not?

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

### **Collegium News:**

We hope to have some new personae to announce soon! Watch this space for welcome notices.

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

Here is the old information: You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds.

The address that appeared at this point in previous newsletters no longer works. Message me at [shashtah@gmail.com](mailto:shashtah@gmail.com) when you get to the point of submitting a release form, and I'll see what I can find out in the way of new instructions. (I think Misty now has her fanfiction licensed under Creative Commons. Can someone check that out?)

All personae materials should be sent to the QO address or submitted by e-mail to [Shashtah@gmail.com](mailto:Shashtah@gmail.com) and [healermoon@gmail.com](mailto:healermoon@gmail.com).

We have some personae who have not been formally announced yet. Is yours is one of them? Let us know!

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at [Shashtah@gmail.com](mailto:Shashtah@gmail.com), and she'll make sure you are greeted in the next newsletter.

### **Lost . . .**

One of the challenges running an online club is that people don't always leave a forwarding address when they move <g>. If you are activated on the Persona List and still listed as "missing" below, let me know. I just forgot to delete the "missing" reference in the newsletter. We are missing current e-mail addresses for just about everyone at this point. If you need your email address updated somewhere on the QO site or for the mailing list, let me know. ([Legend@malcor.com](mailto:Legend@malcor.com) still works, but I am switching to [Shashtah@gmail.com](mailto:Shashtah@gmail.com).)

(We will start generating this list again as I see e-mails start bouncing.)

### **From Herald-Mage Adept Danya Winterborn:**

We may be skipping the July newsletter because there is a good chance I will be in Europe filming a documentary about King Arthur. (I never know if these projects are truly happening until I am actually boarding the plane.) The August newsletter will probably be off as well, since the time I'm expected to be in the studio for pre- and post-production keeps increasing. Then again, our publishing schedule has always been a bit erratic. Thank you for your patience!

If you are in the L.A. area, do pop in to see Misty at the L.A. Book Fair. It is a fantastic event. You will have a great time.

Many years ago we were working on a project to assemble a cookbook containing recipes for food that appears in Misty's Heralds of Valdemar series. The one that leaps to mind is the toasted cheese sandwich over a campfire, but I know there were a ton of others. If you are reading the series, could you please jot down mentions of food and drink that you come across and send them to me at [Shashtah@gmail.com](mailto:Shashtah@gmail.com)? (Also, if you have a copy of the original list, it would be great to have that as well ☺.)
